Dear Sirs,

Re: Restoration of clinker silo and dismantling of CF Silo safely at J.K.Cement Works, Muddapur, Taluka : Mudhol Dist: Bagalkot, Karnataka .

This is to inform you clinker silo roof which earlier caved in has now been rebuild/restored and made operational.

Further, the CF Silo which had earlier developed two horizontal cracks has been safely brought down today. Due to removal of debris and maintenance the clinker production will remain suspended for about two weeks. However the production of cement will continue from the available stock of clinker.

This is for your kind information and record please.

Thanking you,

Yours faithfully,
For **J. K. Cement Ltd.**
