191 "ajay kumar saraogi" (2775769856)

00:54:11.588 --> 00:54:16.931

Okay moving on to Madamuka Haritia.

192 "AAFAQ SHAIKH" (410756608)
00:54:16.931 --> 00:54:19.586
Not joined.

193 "ajay kumar saraogi" (2775769856)

Thank you. With this we conclude the questions from all our speaker shareholders. I'll now request to kindly respond 1st. Thank you shareholders, one, I would like to thank you for taking interest in the company's operations and giving your suggestions.

194 "ajay kumar saraogi" (2775769856)
00:54:43.650 --> 00:54:58.950
Which definitely we have all noted. You have certain queries which we will make our best efforts to address them. One on the market share.

195 "ajay kumar saraogi" (2775769856)
00:54:58.950 --> 00:55:18.950
Of our products we as far as the market share of placement is concerned, wherever in the regions we are operating, we are amongst the top three four players in the region because it is we cannot compare our market share on all India basis.

196 "ajay kumar saraogi" (2775769856)
00:55:18.950 --> 00:55:53.508
So we are, you know, we are present in certain regions of the country and as far as the is concerned, we are amongst the top two environment and top three players in in case of world putting. Also in international market as far as dynamics is concerned, I'm pleased to say that even if within a very short period, we are amongst the top three times players in UAE.

197 "ajay kumar saraogi" (2775769856)
00:55:55.648 --> 00:56:22.380
There has been you've asked questions regarding the R and D spend and number of employees, the, all these details are available in the annual report. If you look at the SR, all the details are given and some shareholders have also asked for the hard copy of the annual report which our secretary department will set send.

198 "ajay kumar saraogi" (2775769856)
00:56:22.380 --> 00:56:41.580
There's been a question regarding the competition. So the comp yes in each region where we are operating, we have competition, but we as I told you, we are amongst the top three and we are a very.

199 "ajay kumar saraogi" (2775769856)
00:56:41.580 --> 00:56:58.230
Prominent brand and it is because of that position that if you will see that we have been able to establish push our expansion volumes at a much faster pace.

200 "ajay kumar saraogi" (2775769856)
00:56:58.230 --> 00:57:14.100
As compared to the competition, you've also asked regarding the Q4, the margins have reduced as compared to.

201 "ajay kumar saraogi" (2775769856)

00:57:14.100 --> 00:57:30.660

The 3rd, but it is only because the cost increase in that quarter has been more and the company could not pass on the cost increase to the customer.

202 "ajay kumar saraogi" (2775769856)

00:57:30.660 --> 00:57:45.900

But having said so, we have been able to pass on certain cost increase thereafter in this year in the Q1. There was a question with how do we face Adani?

203 "ajay kumar saraogi" (2775769856)

00:57:45.900 --> 00:58:04.170

When you see we have been in the Siemen business for over 50 years. We have seen many big players coming into the market and we have been growing. Our growth in the industry has been amongst the highest.

204 "ajay kumar saraogi" (2775769856)

00:58:04.170 --> 00:58:24.170

And we are very confident that be it Adani, it will not have any impact on our growth plans and we will continue to grow. We have a vision to grow to 50 million tons by 2030 and.

205 "ajay kumar saraogi" (2775769856)

00:58:24.170 --> 00:58:53.306

We are quite confident that we will achieve that without any difficulty. There was a question suggestion with regarding splitting of shares, definitely as and when the situation comes, the board will definitely look into it. They will pass on the the board has already noted your suggestion and they will look at an appropriate time.

206 "ajay kumar saraogi" (2775769856)

00:58:54.412 --> 00:59:17.070

Roadmap for next three, four years as I said though we are we already have a roadmap for for growing up to 50 million tons by 2030 and we are already working towards it. What about there was a suggestion regarding acquisition?

207 "ajay kumar saraogi" (2775769856)

00:59:17.070 --> 00:59:33.120

So, as regards to acquisition, so we already have a plan to go up by putting up brownfield and Greenfield expansions, but as and when if we see along with the expansion.

208 "ajay kumar saraogi" (2775769856)

00:59:33.120 --> 00:59:49.350

And our balance sheet permits, we will definitely look if any expansion adds value to the business and to the shareholder's wealth.

209 "ajay kumar saraogi" (2775769856)

00:59:49.350 --> 01:00:09.720

Steps to reduce there was a set on carbon footprints. Yes, we are committed towards this and as if you will see our annual report when we have made substantial progress.

210 "ajay kumar saraogi" (2775769856)

01:00:09.720 --> 01:00:27.240

And that and we have been able to reduce our carbon footprint substantially and we have a target for 2030 which we are working at. As regards to AI, yes, we, this is.

211 "ajay kumar saraogi" (2775769856)

01:00:27.240 --> 01:00:43.710

We are already evaluating how AI would help our business visit to the plant. We will definitely you can send your request to the secretary and they will look into.

212 "ajay kumar saraogi" (2775769856)

01:00:43.710 --> 01:01:03.710

The possibility and the convenience at the plant level and then confirm to you. There was one suggestion regarding the paint business. Yes, the paint business is competitive. We are having said so, we had a right to win in the paint business.

213 "ajay kumar saraogi" (2775769856)

01:01:03.710 --> 01:01:21.870

We had been in putting business and and which was already a paint we had so many influencers for paint and it was a right to win and we have been successful that.

214 "ajay kumar saraogi" (2775769856)

01:01:21.870 --> 01:01:36.960

In a short period of two years, we have already reached a gross sale of over 500 crores and we have a target to achieve a gross sale of over 700.

215 "ajay kumar saraogi" (2775769856)

01:01:36.960 --> 01:01:52.260

This year and next year of 500 crore, we are investing in R and D in the paint and we aspire that over a period of time we be the amongst the top five paint players.

216 "ajay kumar saraogi" (2775769856)

01:01:52.260 --> 01:02:14.580

There was a suggestion regarding sponsoring other sports and WPL will again our business branding team will look into it, what are the possibilities?

217 "ajay kumar saraogi" (2775769856)

01:02:14.580 --> 01:02:29.700

Regarding that as as regards I think the this covers most of the questions if any question remains.

218 "ajay kumar saraogi" (2775769856)

01:02:29.700 --> 01:02:57.205
